Misleading Information being Circulated Among Sri Lankan Community in Italy

It is brought to the attention of the Embassy that several links/online Google forms are being circulated among Sri Lankan community members in Italy by different Facebook (social media) groups, seeking personal details of Sri Lankan nationals residing in Italy for the use of various purposes in the face of COVID-19 pandemic situation in Italy. It is observed that some links display the Emblem of the Government of Sri Lanka to portray the same as a government connected initiative.

The Embassy of Sri Lanka wishes to inform that no such initiative of collection of personal data of Sri Lankans in Italy, has been taken by the Embassy of Sri Lanka in Italy and the Consulate General of Sri Lanka in Milan.

The Embassy requests Sri Lankan community members in Italy to rely on the information circulated through the official Website, Facebook and Twitter Accounts of the Embassy of Sri Lanka in Italy and the Consulate General of Sri Lanka in Milan.
